#### **SESSION I 9.05-12.00**

**G. Werner, L. Bryniarski, M. Hawranek, J. Wójcik**

**N. Boudou:** "CTO prevalence and prognosis"

**L. Bryniarski:** "Parallel wire technique - old but still alive"

Live Case Transmission: case I – **M. Yamane**

Live Case Transmission: case II – **M. Ayoub**

**G. Werner:** "Prevention of collateral damage in retrograde procedures"

12.00-12.15 Coffee break

#### **SESSION II 12.15-14.30**

**M. Yamane, N. Boudou, M. Ayoub, A. Kalnins, Z. Huczek**

**N. Boudou:** "Retrograde CTO PCI step by step"

**M. Yamane:** "Ostial CTOs, my tips and tricks"

**M. Ayoub:** "Challenging collaterals in retrograde CTO PCI"

Live Case Transmission: case III – **G. Werner**

Live Case Transmission: case IV – **M. Marciniak / J. Spratt**

14.30 – 15.00 Lunch Break

### **SESION III 15-18.30**

**G. Werner, M. Ayoub, I. Ungi, J. Drozd, Z. Huczek, W. Wojakowski**

**M. Ayoub:** "Coiling Bypass graft after CTO PCI?"

Live Case Transmission: case V – **M. Yamane**

Live Case Transmission: case VI – **N. Boudou**

**I. Ungi:** "Series of retrograde LAD cases through epicardial collaterals in case of missing or poor septal collaterals"

20.00 Dinner

## **April 6, Saturday**

### **SESION IV 9.00-14.00**

**M. Yamane, G. Werner, L. Bryniarski, S. Furkalo, J. Drozd, J. Wójcik**

**M. Yamane:** "CTO PCI from Japanese perspective"

**A. Kalnins:** "CTO PCI with the same day discharge. Riga EAST hospital experience"

**L. Bryniarski:** "Live in the box -Recanalization of heavily calcified and uncrossable CTO of LAD with excimer laser"

**G. Horszczaruk:**

1. "Reocclusion after PCI CTO – not always benign"

2. "Can't you get outside? Then go in. A case of CTO retrograde technique"

**G. Werner:** "Contrast associated kidney injury, the limit for CTO PCI: determinants and prevention"

Live Case Transmission: case VII – **M. Ayoub**

Live Case Transmission: case VIII - **G. Werner**

Live Case Transmission: case IX – **M. Yamane**

Take Home Message & Closing Remarks – **J. Wójcik**
